HOW YOUR GIFT IS USED

Your gift, no matter what size, makes a difference. Plus, the dollars you give to United Way's Community Fund stay right here in the Odessa area. For as little as \$1.15 a week, you can provide urgent and life-changing resources that impact people throughout 10 counties served by United Way and our Community Partners.

\$1.15 per week

Allows 1 family to receive a warm meal. Families having access to nutritious meals display better health, are stable and are better off emotionally, positively impacting individuals and the community.

\$5.20 per week

Allows 6 children to attend after school programs. After school programs provide families a reassurance and support in knowing that their child is in a safe place with their child's needs being met.

\$10 per week

Allows 1 resident to receive a new gas water heater. Through home repairs residents served have access to safe reliable housing, satisfy their basic needs, and remain in their homes.

\$20 per week

Allows several children to receive school supplies and backpacks. Parents and youth often enter a world of financial concerns. Making them feel isolated from resources and information thus affecting their ability to participate or learn.
